JERRY BELL

CHAIRMAN, EXECUTIVE BOARD

T. Geron (Jerry) Bell was named Chairman of the Twins Executive Board on January 3, 2011. In his position, he serves as an advisor to ownership and the team's senior management group on a variety of club operational issues as well as facility development.

Prior to his current role, Bell served as President of Twins Sports, Inc. Named to that post on November 26, 2002, he led the effort to ensure the long-term viability of the Minnesota Twins and specifically oversaw the development, design, construction and the opening of Target Field. Bell's leadership was central to ballpark's groundbreaking design, LEED certification and successful management of the project's budget and timeline.

Bell, who was named the third president in the history of the Minnesota Twins in January 1987, spent 16 years as the chief executive of the club. He led the team's business operations and was instrumental in the 1987 and 1991 World Championship seasons. Other accomplishments include setting an American League attendance record in 1988 when the Twins became the first junior-circuit team to attract more than three million fans. He also led the development and construction of the state-of-the-art spring training facility known as the Lee County Sports Complex which opened in Ft. Myers, Florida, in 1991.

Bell joined the Twins after serving as executive director of the Metropolitan Sports Facilities Commission, which operates the Metrodome. He joined the MSFC as assistant executive director upon the commission's inception in 1977.

His professional activities include being a member of Major League Baseball's Professional Baseball Association Committee/Baseball Operations Committee. He also served on the Hall of Fame Veteran's Committee for Major League Baseball. Past activities have included three terms as member of the North St. Paul/Maplewood School Board, including five years as chairman; served on Minneapolis Downtown Council Board of Directors from 1993-2002; member of the Minneapolis Chamber of Commerce Communications Committee; Board of Directors for the Greater Convention and Visitors Association; member of the Executive Committee of the Minneapolis/St. Paul Final Four organizing committee, and former consultant to the Miami Dolphins, Ltd., of the NFL. In 2010, Bell was a recipient of the Herb Carneal Lifetime Achievement Award as presented by the Minnesota chapter of the Baseball Writers Association of America.

Jerry and his wife, Phyllis, who make their home in North St. Paul, MN, have two daughters.

DAVE ST. PETER

PRESIDENT

Dave St. Peter was named the fourth president in Minnesota Twins history on November 26, 2002. He oversees the team's strategic planning process and the club's business departments including ticket sales and service, corporate partnerships, marketing, public affairs, broadcasting, ballpark operations, human resources, technology and finance. St. Peter, who is also involved in business-related baseball decisions, also was central to the approval, design, construction and opening of Target Field, the team's new ballpark which was named 2011 Sports Facility of the Year by the Sports Business Journal/Sports Business Daily.

At age 45, St. Peter is in his 23rd year with the Twins. He joined the organization in 1990 and held a variety of positions including Vice President of Corporate Communications. He was named senior vice president of business affairs in February of 1999 and assembled a sales and marketing group which has increased annual attendance nine of the last ten years and in aggregate by more than 200% since 2000. In 2010, the Twins established a new single-season franchise attendance record by attracting more than 3.2 million fans to Target Field and the club was recognized by *ESPN The Magazine* as having the best stadium experience in all of professional sports. St. Peter's leadership has been integral in the team's growing corporate partnership base, development of the "Magic Moments" customer service initiative, expanded Twins Radio Network, aggressive community outreach and enhanced alumni involvement, including creation of the Twins Hall of Fame.

St. Peter has been part of a leadership team helping the franchise win six American League Central Division championships in the past 10 seasons (2002-2004, 2006 & 2009-2010). During St. Peter's leadership tenure, the Twins have twice been named "Organization of the Year" by *Baseball America* (2002 and 2004). In 2006, the entire Twins organization was recognized as the Minneapolis Star Tribune's "Sports Person of the Year." The franchise received the Atlanta Sports Council's Horizon Award (2002) as the Professional Sports Organization of the Year while the Twins Community Fund was a 2000 recipient of the Greater Minneapolis Chamber of Commerce's Quality of Life Award and a 2006 recipient of a Project Evergreen Award. In 2010, the Twins were honored by the Star Tribune as one of the "Top 100" workplaces in the state of Minnesota. In 2011, the Twins were the recipient of the Minneapolis Park and Recreation Board's "Living the Dream" Award. St. Peter has also been named to the Street and Smith's Sports Business Journal and Minneapolis-St. Paul Business Journal's "Forty under 40" lists.

In the community, St. Peter serves on the board of the Minnesota Twins Community Fund, the Ronald McDonald House of the Twin Cities, and Meet Minneapolis.

He has twice been named *Sporting News* Executive of the Year (2002 and '06), and was named *Baseball America*'s Major League Executive of the Year in 2004. The Negro Leagues Baseball Museum has honored Ryan on two occasions with the Andrew "Rube" Foster Legacy Award as American League Executive of the Year in 2004 and 2006. In 2002, the Twins were named Organization of the Year by *Baseball America* (also in 2004), *USA Today* and *Sportsticker*.

Ryan began his professional career with the Twins in 1972 after being drafted in the 35th round out of Parker High School in Janesville, Wisconsin. He pitched in the Twins minor league system for four seasons, posting a 14-3 record, including 10-0 in 1973, before an arm injury cut his career short. TARGET FIELD

TARGET FIELD®

The Minnesota Twins moved into their new home, Target Field, prior to the beginning of the 2010 season. The ballpark is a modern architectural expression, a dichotomy of Minnesotans' cosmopolitan lifestyle so rooted in nature and the outdoors. The stone and glass landmark, topped by a metal-clad, sculpted roof canopy, is chiseled into downtown Minneapolis on one of Major League Baseball's smallest sites. The ballpark's urban appeal is enhanced with the addition of new, immediate access to light rail and commuter rail, bridging the site to its urban surroundings and spurring development in the western corner of downtown.

Target Field proved to be one of the premier sporting and entertainment venues in the Upper Midwest, and one of the most unique, spectacular parks in all of Major League Baseball. Here are a list of features that helped to make it unlike any other baseball experience in America.

Approximate Capacity	39,500
Seating in Lower Level	19,000
Seating in Upper Level	13,000
Seating in Club Level	7,000
Concourse Width (main)	40 feet
Concourse Width (upper)	26-44 feet

MATERIALS

SEATING

Target Field features one of the closest seating bowls to the playing field in all of Major League Baseball. Seats in Target Field feature more leg room and are articulated towards the field of play. Target Field features more aisles with fewer seats per row.

CONCOURSE

The ballpark features a 360-degree open main concourse giving fans an uninterrupted view of the playing field.

CLIMATE/SHELTER

The Twins are committed to providing a comfortable experience for the fans—even when our weather is less than perfect. Fans are able to take advantage of heated concessions, restrooms, and restaurant and lounge areas found on each ballpark level including the Terrace level. Target Field's roof canopy—one of the largest in baseball—provides added protection.

CELEBRATING MINNESOTA'S RICH BASEBALL HERITAGE

CAPTURING AND REUSING RAINWATER

Through a custom-designed Rain Water Recycle System provided by Minneapolis-based **Pentair**, the Twins captured, purified and reused more than 686,360 gallons of rainwater, drastically reducing the use of municipal water at Target Field in 2011. The majority of the recycled rainwater was used to wash down the seating bowl attached to the main concourse. The Twins will continue to refine the purification system and hope to use the recycled water to water and maintain the playing field.

RECYCLING AND CONVERTING WASTE TO ENERGY

The Twins kept more than 1,762 cubic yards of waste out of local landfills.

- 741.3 tons of trash were sent to the Hennepin Energy Recovery Center, a waste-to-energy facility adjacent to Target Field. Some of the recovered energy was then used at Target Field to heat portions of the service level and provide hot water in the facility.
- 1430.67 tons of waste were recycled from Target Field
- 152.41 tons of organic materials were composted and diverted from landfills

2011 ENVIRONMENTAL INITIATIVE AWARD

- more than **3,000** hamburgers

EARNED RUNS RULE

The determination of earned-runs is as follows:

'An earned-run is a run for which the pitcher is held accountable. In determining earned-runs, the inning should be reconstructed without the errors and passed balls, and the benefit of the doubt should always be given to the pitcher in determining which bases would have been reached with errorless play.'

Until 1969, a reliever could not be charged with an earned-run if he entered the game after the side could have been retired but for an error, no matter how many runs he subsequently gave up in that inning. Now, runs scored by batters who reach base off the reliever are charged as earned on that pitcher's record. They are not, however, charged as earned against the team as a whole. Therefore, a discrepancy may occur between the total earned-runs charged against a team and the sum total of the earned-runs charged against the individual pitchers of that team.

THE DESIGNATED HITTER

DESIGNATED HITTER RULE

A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of the designated hitter for that game.

The designated hitter is 'locked' into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn immediately becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher must then assume the batting of the replaced defensive player, thus terminating the designated hitter role. The designated hitter is eligible for all American League batting titles.

TWINS DESIGNATED HITTER FACTS

>> The designated hitter was implemented for American League teams at the start of the 1973 season. The Twins first ever designated hitter was Tony Oliva, who went 2-for-4 with a HR, 3 RBI, a run scored and a walk on April 6, 1973 at Oakland. It was the first home run ever hit by a designated hitter in Major League Baseball.

>> In 2011, 17 different Twins players recorded at-bats at the DH spot totaling 26 HR's, 96 RBI and a batting average of .245 with 68 runs scored, 26 doubles and 70 walks...the 17 DH's used were the club's most since 2006 when they also used 17.

>> Just two players have totaled 502 at-bats or more in a single season All-Time in a Twins uniform as a designated hitter. Paul Molitor hit .340 with 8 HR's and 100 RBI in 1996 while Chili Davis hit .277 with 29 HR's and 93 RBI in 1991. Both players won the Outstanding Designated Hitter Award in those respective years.

PINCH-HITTER RULE

A player shall be considered a pinch-hitter only if he enters the game as a substitute batter, and then only on his first time at bat, which must be before he becomes a fielder. (If the team bats around and a pinch-hitter comes up a second time in the inning in which he first appeared, he will not be considered a pinch-hitter during that second time up.)

A substitute hitter for a designated hitter is both a pinch-hitter and a designated hitter on his first time at bat. On subsequent trips to the plate he is a designated hitter only.

SAVES RULE

Credit a pitcher with a save when he meets all three of the following conditions:

(1) He is the finishing pitcher in a game won by his club; and

(2) He is not the winning pitcher; and

(3) He qualifies under one of the following conditions:

(a) He enters the game with a lead of no more than three runs and pitches for at least one inning; or

(b) He enters the game with the potential tying run either on base, at bat or on deck; or

(c) He pitches effectively for at least three innings.

No more than one save may be credited in each game.

It is considered a 'blown save' when a pitcher who has entered a game in a save situation departs with the save situation no longer in effect because he has given up the lead. If the save situation still exists when he leaves the game, he is not charged with a save opportunity. And, if he has not given up the lead when he leaves the game, even though the save situation may no longer exist, he is not charged with a save opportunity.

MAJOR LEAGUE WAIVER RULES

There are four types of waiver requests: Trade Assignment Waivers, Outright Assignment Waivers, Optional Assignment Waivers and Unconditional Release Waivers

Trade Assignment Waivers (formerly Major League Waivers) – Are necessary for any player assignment between Major League clubs made from August 1 until the day after the close of the regular season. Waivers are required to trade any player during this time period. Prior to August 1, players may be traded from one organization to another without waivers.

Outright Assignment Waivers (formerly Outright or Special Waivers) – Are irrevocable and are required for a Major League Club to assign a Major League player outright (i.e., without right of recall) to a Minor League Club during certain periods through the year.

Optional Assignment Waivers (formerly Major League Waivers) – Are required in order for a Major League Club to assign a Major League player optionally (i.e., with right of recall) to a Minor League Club, if required by Rule 10(e)(4). Optional assignment waiver request may be revocable or irrevocable.

Unconditional Release Waivers - Can be secured at any point during the year.

UMPIRE INTERVIEW POLICY

Major League umpires shall cooperate with the news media concerning controversial plays, protested games, and unusual incidents, ejections, etc. Any unusual plays should be explained to the press box, usually between innings. ...that only once in their 51 seasons have the Twins won three games in a row by the same score. They beat Boston on September 3, 1987, 2-1, and followed with 2-1 victories over Milwaukee the next two days, all three of which took place in the Metrodome. The Twins have twice lost three games in a row by the same score. They were 2-1 games, July 21-23, 1967, at California, and 4-3 decisions, May 2-4, 1988, the first two coming at Milwaukee and the third at Baltimore. There have been 15 other occasions when three straight Twins' games wound up with the same score, but with different winners.

DID YOU Know?

...that in 1976, Twin pitcher Bill Campbell went 17-5 with a 3.00 ERA and 20 saves in 78 relief appearances for the Twins. He became the second player in Major League history to win and save at least 15 games in a season since saves became an official statistic in 1969 (Dodger's Mike Marshall won 15 and saved 21 in 1974). Campbell's 17 victories ties the American League record for wins in relief. In 1977, Twins reliever Tom Johnson became the third player in Major League history to win and save at least 15 games. He finished the season 16-7 with a 3.12 ERA and 15 saves in 71 relief appearances.

DID YOU *Know?*

...that the Twins' best homestand ever took place during the 1991 season. The team went 10-0 from June 3-13 against Baltimore (3-0), Cleveland (4-0) and New York (3-0). The franchise's best road trip resulted in 7 wins in 8 tries, accomplished twice. The first was a New York, Milwaukee and Boston trip, April 28 to May 7, 1972 and with the second coming 30 years later on a Cleveland, Detroit and Chicago trip from July 17-July 24, 2002. The Twins have had two trips over the years on which they've won 10 games, however. They were 10-7 between July 23 and August 8, 1963, and 10-6 from August 14-27, 1967.

...that on September 22, 1968 vs. Oakland at Metropolitan Stadium, Cesar Tovar became the second Major Leaguer ever to play all nine positions in one game. He is also the only position player to be the starting pitcher in Twins' history, as he tossed a scoreless first inning, including a strikeout of Reggie Jackson. He went on to catch, play first base, shortstop, third base, left field, center field and right field for an inning apiece.

DID YOU *Know?*

...that on 22 occasions, Twins catchers and pitchers have combined to nab three would-be base-stealers in a game, but only once, on May 29, 1982, have they ever nailed four runners in one game. Ken Griffey, Graig Nettles, Bobby Murcer, and Willie Randolph were caught by Twins catcher Sal Butera that day; Nettles and Murcer as part of a Twins' triple play.

DID YOU *Know?*

...that the longest home run ever hit by a Twin was estimated at 520 feet. The ball cracked the seat, which was later painted orange to commemorate the event.

ROBERTO CLEMENTE AWARD

Since 1971, Major League Baseball has annually presented an award that recognizes a player who best exemplifies the game of baseball through sportsmanship, community involvement and positive contributions to his team.

In 1973, following the tragic death of Roberto Clemente, the award was named to honor the man whose spirit and goodwill will always be remembered. The 12-time All-Star and Hall of Famer was killed in a plane crash in 1972 delivering food and medical supplies to earthquake victims in Nicaragua. The award recognizes those individuals who truly understand the value of helping others.

A panel of baseball dignitaries, including Vera Clemente and Commissioner Allan H. (Bud) Selig, annually selects the winner from a list of 30 candidates, one from each Major League Baseball Club. These local winners are announced in September during Roberto Clemente Day. The winner of the national Roberto Clemente Award is announced during a pre-game ceremony at the World Series. Past winners include Jamie Moyer, Jim Thome, Rod Carew, Dave Winfield, Kirby Puckett, Curt Schilling, Al Leiter, Tony Gwynn, Willie Mays, Ozzie Smith, and Cal Ripken, Jr.

The 2011 Minnesota Twins Roberto Clemente Award nominee was Michael Cuddyer (third career nomination).

40TH SEASON ANNIVERSARY ALL-TIME TEAM

In 2000, the Minnesota Twins celebrated 40 years of baseball in Minnesota. As part of that celebration, the Twins announced the Twins All-Time Team as part of the ballclub's 40th Season Celebration.

Voting for the Twins All-Time Team was split into three phases, including: the Fans, the Upper Midwest Media and the Players (former/current Twins players and coaches). Each groups' vote counted one-third toward the final balloting results with the top vote recipients at each position automatically being named to the team. The All-Time Team selection committee reserved the right to name additional players to the final roster based upon overall vote totals.

The All-Time Team took part in an on-field pre-game ceremony on August 12, 2000 and a poster depicting the All-Time team was given to the first 10,000 fans in attendance, courtesy of the Star Tribune.

A total of 93 Twins players and managers were featured on the All-Time Team ballot which included categories for each of the following: Manager, Catcher, First Base, Second Base, Third Base, Shortstop, Outfield, Right-Hand Starting Pitcher, Left-Hand Starting Pitcher, Relief Pitcher, Designated Hitter, Pinch Hitter and Utility Player.

The Minnesota Twins 40th Season All-Time Team is comprised of 22 members of which ten were also on the club's 25th Anniversary Team in 1986 including catcher Earl Battey, first baseman Harmon Killebrew, second baseman Rod Carew, shortstop Zoilo Versalles, leftfielder Bob Allison, centerfielder Cesar Tovar, rightfielder Tony Oliva, right-handed pitcher Camilo Pascual, left-handed pitcher Jim Kaat and relief pitcher Al Worthington. 25TH ANNIVERSARY TEAM

In 1986, the Minnesota Twins celebrated 25 years of baseball in Minnesota. As part of that celebration, the Twins held a 25th Anniversary Reunion on July 31-August 3. The weekend began with a banquet in which the Silver Anniversary Team, voted by fans, was announced (see above). The weekend concluded with an Old Timers game, featuring the 1965 World Series Twins playing a team consisting of other former Twins, and a pre-game ceremony honoring the Silver Anniversary Team. Fans were treated to a Camera Night in which they were able to take pictures with their favorite former Twins and received a framable poster which was a collage of the team. Below is the 25th Anniversary Team.

Voting for the Twins All-Metrodome Team was split into three phases, including the fans, the Upper Midwest media and a veteran's committee made up of Twins alumni, front office representatives and team historians. In total, more than 100,000 votes were cast by the fans at www.twinsbaseball.com.

The All-Metrodome team took part in an on-field ceremony following the Twins final scheduled regular season home game on October 4, 2009 vs. the Kansas City Royals. Below are the players that make up the Twins All-Metrodome Team:

2011 MINOR LEAGUE RECAP

ROCHESTER (53-91, AAA, International League) -- For the second consecutive year the Red Wings finished in last place in the North Division and lost more than 90 games. For the season, the Wings batted .257 with 587 runs scored, while their pitchers posted a 4.76 ERA. On July 6, Jeff Manship, Jake Stevens, Kyle Waldrop, and Jim Hoey combined for the first four-pitcher no-hitter in International League history. Starting pitcher Kyle Gibson represented the Red Wings at MLB's All-Star Futures Game and reliever Chuck James pitched in the International League All-Star Game. First baseman Aaron Bates led the International League in OBP (.408) and was third in batting (.316), while outfielder Dustin Martin led the team in rbi (69) and tied for the team high in home runs (15). NEW BRITAIN (72-70, AA, Eastern League) -- The Rock Cats bounced back after losing 98 games in 2010 and came up just short of the playoffs, as they were eliminated on the final day of the season when Reading clinched the final playoff spot with a win over Binghamton. New Britain won 72 games and finished third in the Eastern Division. At the plate, the Rock Cats led the league in OBP (.340), finished second in batting average (.269) and fourth in runs scored (662). On the mound, they were last in the league in ERA (4.93) and second-to-last in strikeouts (950). Right-handed pitcher Bobby Lanigan finished third in the league in innings pitched (153.2) and left-handed reliever Tyler Robertson led the team in wins (10) and was fifth in the league in saves (16). Hendriks, Parmelee, and outfielder Joe Benson all made their Major League debuts in September.

FT. MYERS (63-76, High-A, Florida State League) -- The Miracle finished second in the South Division in the first-half (34-36) and fifth in the second-half (29-40). Ft. Myers finished the season ranking second-to-last in the league in both runs scored (549) and ERA (4.56). Outfielder Aaron Hicks was fourth in the league in walks (78) and fifth in runs scored (79). Left-handed pitcher Logan Darnell went 8-3 with a 4.17 ERA and led the Miracle pitching staff in wins, while right-hander Bruce Pugh led the staff in saves (13). 2010 first-round pick Alex Wimmers pitched a 7-inning no-hitter on September 3 against Jupiter, allowing only two walks while striking out five.

BELOIT (69-69, Low-A, Midwest League) -- The Snappers finished the season in third place overall in the Western Division after going 38-32 in the first-half and 31-37 in the second-half. Beloit's hitters finished second in the league in doubles (250), third in home runs (97) and fourth in runs scored (660). The pitching staff ranked seventh in both ERA (3.73) and strikeouts (1,095). ELIZABETHTON (42-26, Rookie Advanced, Appalachian League) -- The E-Twins finished second in the West Division and qualified for the playoffs for the seventh straight year. They fell to Bluefield in three games (two games to one) in the first round, ending a streak of six consecutive appearances in the Appy League Finals. The Twins led the league in home runs for the fourth straight season (71) and finished second in runs scored (405). On the mound, Elizabethton was third in ERA (3.96) and second in strikeouts (616). The team was led by All-Stars Eddie Rosario (OF), Miguel Sano (3B), Tim Shibuya (RP), and Madison Boer (RP). GCL TWINS (31-29, Rookie, Gulf Coast League) -- The GCL Twins made a late bid for the playoffs by winning 10 out of their final 12 games to finish the year. Unfortunately, they couldn't make up enough ground on the Pirates, who won four of their last six to secure the Wild Card spot. The Twins were led by their pitching staff, which posted the second-best ERA (2.89) and issued the second-fewest walks (171) in the league. Tyler Herr (RP), Luis Nunez (LP), and Kyle Wahl (RP) tied for the team lead with five wins and Hung Yi Chen (RP) led the team with 38 strikeouts. Nunez also posted the league's fourth-best strikeouts/9 innings (10.3) and third lowest baserunners/9 innings (8.35). Offensively, the Twins were led by catcher Phillip Chapman who hit .308 with a team high 12 doubles and 21 rbi.

DSL TWINS (42-26, Rookie, Dominican Summer League) -- The DSL Twins finished second in the Boca Chica Baseball City Division and only a half game out in the Wild Card race. Right-hander Junior Subero went 3-4, 0.77 ERA, with 49 strikeouts in 46.2 innings and left-hander Jose Abreu was 3-1, 1.30 ERA, with 29 strikeouts in 41.2 innings. DOMINICAN REPUBLIC BASEBALL ACADEMY

The Twins Dominican Republic operations were completely revamped following the 2003 season. The club relocated its training complex to a state-of-the-art baseball complex in Boca Chica, which opened in May 2004.

The Complejo Latinamericano de Beisbol, S.A. (a.k.a. "Baseball City") houses four Major League organizations: Arizona, Chicago Cubs, Cincinnati and the Twins. Each club has its own individual facilities within one large complex.

The club provides housing and meals for amateur players working out in the Academy program, as well as for its professional players on the Dominican Summer League team.

A lower level of the two-story building includes a locker room, weight training room, office/meeting space, laundry, kitchen and a large dining room. The second floor features seven dormitory rooms which can accommodate up to 56 players, two large staff rooms, and a large game room. Programs are provided year-round to teach English and cultural development to all signed players.

Boca Chica is located 30 minutes east of downtown Santo Domingo, and the Twins complex is just 10 minutes from the international airport.

The playing facilities include a full-sized playing field, an additional infield for workouts and drills, two covered batting tunnels and a six-mound training area for pitchers.

The Twins Dominican facility is in full operation from February through mid-December.

BRIAN DOZIER AND LIAM HENDRIKS NAMED 2011 TWINS MINOR LEAGUE PLAYER AND PITCHER OF THE YEAR

Shortstop **Brian Dozier** was named the 2011 Sherry Robertson Award winner as the Twins' Minor League Player of the Year and right-handed pitcher **Liam Hendriks** was named the 2011 Jim Rantz Award winner as the Twins' Minor League Pitcher of the Year.

Dozier, 24, began the season at Single-A Ft. Myers and batted .322 (58-for-180) with 11 doubles, five triples, two home runs, 22 rbi, 32 runs scored, 13 steals and 27 walks in 49 games with the Miracle. He was promoted to Double-A New Britain on June 6 and batted .318 (99-for-311) with 22 doubles, seven triples, seven home runs, 34 rbi, 60 runs scored, 11 steals and 28 walks in 78 games with the Rock Cats. He combined to bat .320 (157-for-492) with 33 doubles, 12 triples, nine home runs and 56 rbi in 127 games this season.

The 5-foot-11, 190-pounder was the Twins Minor League Player of the Month for May, batting .337 (33-for-98) with seven doubles, three triples and 11 rbi in 27 games with Ft. Myers. Dozier led all Twins minor leaguers in triples (12), runs scored (92) and total bases (241), and was tied for first in stolen bases (24). He was the Twins eighth round pick in the 2009 First-Year Player Draft out of the University of Southern Mississippi.

Hendriks, 22, began the season at Double-A New Britain and went 8-2, 2.70 ERA (90.0 ip, 27 er), allowing 85 hits with 18 walks and 81 strikeouts in 16 appearances (15 starts). He was promoted to Triple-A Rochester on July 19 and went 4-4, 4.56 (49.1 ip, 25 er), allowing 52 hits with three walks and 30 strikeouts in nine starts. Hendriks had his contract selected by the Twins on September 6 and made his Major League debut, starting against the Chicago White Sox that same day, allowing three runs on just four hits in 7.0 innings but was dealt the loss.

The 6-foot-3, 210-pounder was the Twins Minor League Player of the Week for June 4-10, going 2-0, 0.69 ERA (13.0 ip, 1 er) with one walk and 10 strikeouts. He was second among all Twins minor leaguers in wins (12) and strikeouts (111). Hendriks was signed by the Twins as a non-drafted free agent out of Sacred Heart College in Australia in 2007.

The Sherry Robertson Award, named in honor of the Twins' first farm director, was established in 1970 to recognize the Twins top minor league performer each season. Beginning in 2002, the award began recognizing the Twins' Minor League Player of the Year while the Jim Rantz Award, named after the current Twins' minor league senior director, was created to recognize the Twins' Minor League Pitcher of the Year.

TWINS' RETIRED NUMBERS

HARMON KILLEBREW 3

One of the greatest home run hitters of all time, Harmon Killebrew will forever be remembered by Twins fans as the 'Killer' for his prolific clouts. A member of the Twins from their inaugural Minnesota season in 1961, Killebrew hit 573 career home runs, 475 of them in his 14 seasons with the Twins, and ranks 11th on the all-time home run list and third (behind Babe Ruth and Alex Rodriguez) in American League history. He hit over 40 home runs on eight occasions and 30-or-more 10 times while driving in 100-plus runs nine times.

Killebrew was the American League's Most Valuable Player in 1969 when he hit 49 home runs with an amazing 140 rbi and 145 walks, all team records that still stand. He was elected to the Baseball Hall of Fame in 1984, the first Twin to receive that honor. He had his number 3 formally retired May 4, 1975, was selected to the Twins' 25th Anniversary Team in 1986 and 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000 and named one of the "50 Greatest Twins" in 2010.

Killebrew passed away on May 17, 2011.

ROD CAREW 29

No Twins fan will ever forget the graceful power of Rod Carew's hitting stroke. Nor will any baseball enthusiast ever forget the summer of 1977, when Carew made his determined run at the untouchable .400 mark, because, just as Killebrew embodied the power of the game, Carew represented its finesse. He was a career .328 hitter over his 19 major league seasons and was the winner of seven American League batting titles, all during his twelve years with Minnesota. Carew hit .300 or better 15 consecutive seasons and finished his career with 3,053 hits, which places him 23rd among the all-time hit leaders and makes him one of only 28 players to collect 3,000 or more career hits.

Carew, who won the American League Most Valuable Player award in 1977, was elected to the Baseball Hall of Fame on the first ballot in 1991. He had his number 29 retired July 19, 1987, and was selected to the Twins' 25th Anniversary Team in 1986, and the 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000 and was named one of the "50 Greatest Twins in 2010.

TONY OLIVA 6

Pedro 'Tony' Oliva Jr., or 'Tony-O' to those who followed his 24-year career as a Twins' player and coach, was a man who seemed to excel in all aspects of the game. He could hit for power and average, run, field and throw, and his versatility made him one of the most feared hitters of his day.

Tony-O collected 1,917 hits and retired with a .304 career average. He is the only player to win batting titles in his first two seasons and was the winner of three in his 15-year career, which still stands as the club's longevity mark. His prowess as a hitter was demonstrated in the fact that he led the league in hits five times, and his 220 career home runs rank third all-time among Twins. If not for knee problems which cut his career short, Oliva would have been a certain choice for the National Baseball Hall of Fame.

Oliva, the 1964 American League Rookie of the Year, began his coaching career in 1976. He now works as a hitting instructor in the Twins' minor league system and scouts for the club. He had his number 6 retired July 14, 1991, and was selected to the Twins' 25th Anniversary Team in 1986 and the 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000, and was named one of the "50 Greatest Twins" in 2010.

KENT HRBEK 14

Kent Hrbek grew up in the shadows of Metropolitan Stadium in Bloomington and was destined to become a Minnesota Twin. The big kid had more fun than most and treated Twins fans to much excitement from the day he donned a Twins uniform. From the time he homered in the 12th inning at Yankee Stadium to give the Twins a win on August 24, 1981, until the last game of his career, August 10, 1994, when he came up with the bases loaded three times against Boston as the fans were on their feet every at-bat.

Hrbek, who was runner-up to Cal Ripken for American League Rookie of the Year in 1982, made his only All-Star appearance that season. He was most appreciated by his teammates and Twins' fans for his upper-deck power and agility and for being one of the best ever to play first base. He is among club leaders in nearly every offensive category, but may be best remembered for his Game Six grand slam in the 1987 World Series, or for his tag of Atlanta's Ron Gant in Game Two of the 1991 World Series. He had his number 14 formally retired August 13, 1995 and was selected to the Twins' 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000, was selected to the All-Metrodome team in 2009 and named one of the "50 Greatest Twins" in 2010.

TWINS' RETIRED NUMBERS

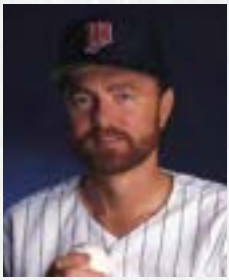

KIRBY PUCKETT 34

Considered by most to be the greatest Twin, 'Puck' was baseball's jewel for 12 incredible seasons. He was a hero from day one; when he became the ninth player in history to collect four hits in his first game, May 8, 1984 at California. The dramatic entrance proved to be just the first of many heroic performances leading up to his shining moment on October 26, 1991, during Game Six of the World Series versus Atlanta. He went 3-for-4, robbed Ron Gant of an extra-base hit and became the ninth player to end a World Series with a home run on the final pitch, off Charlie Leibrandt, in the 11th inning to force a seventh game.

The 10-time All-Star, 6-time Gold Glove Award winner and 5-time Silver Slugger Award winner had his career cut short when he awoke with blurred vision caused by glaucoma on the morning of March 28, 1996. He was later forced to announce his retirement due to irreversible damage to the retina in his right eye on July 12. He retired as the Twins' all-time leader in hits (2,304), doubles (414), total bases (3,453), at-bats (7,244) and runs (1,071).

Puckett was one of the game's greatest community leaders and was given Major League Baseball's Roberto Clemente Man of the Year Award in 1996. He was elected to the Baseball Hall of Fame on the first ballot in 2001 and became the third-youngest living electee in baseball history (behind Sandy Koufax and Lou Gehrig). He had his number 34 formally retired May 25, 1997 and was selected to the Twins' 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000, was selected to the All-Metrodome team in 2009, and named one of the "50 Greatest Twins" in 2010. Puckett passed away on March 6, 2006.

BERT BLYLEVEN 28

After breaking into the big leagues at the age of 19, Blyleven would go on to pitch 11 of his 22 Major League seasons with the Twins (1970-76 and 1985-88). His knee-buckling curve ball, competitive drive and his knack for being the clubhouse "prankster" are only a few reasons why Blyleven had a successful career.

Blyleven was named the 1970 American League Rookie Pitcher of the Year and was selected to the American League All-Star Team in 1973 and 1985. He finished his Twins career with a record of 149-138, with a 3.28 ERA. His 2,035 strikeouts are the most in Twins history, while his 149 wins rank second.

The winner of two World Series Championships (1979 with Pittsburgh and 1987 with Minnesota), Blyleven ranks fifth on the Major League Baseball's all-time strikeouts list with 3,701.

His number 28 was formally retired July 16, 2011, becoming the first Twins pitcher to have his number retired. Blyleven was selected to the Twins' 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame in 2001, was selected to the All-Metrodome team in 2009, and named one of the "50 Greatest Twins" in 2010. Blyleven was elected to the Baseball Hall of Fame in 2011, becoming the first Hall of Famer born in the Netherlands. He was inducted into the National Baseball Hall of Fame in Cooperstown, NY on July 24, 2011.

TOM KELLY 10

"TK" took over the managerial duties for the Twins on September 12, 1986. In his first full season (1987) as the skipper, he led the Twins to their first World Series Championship. It was the first time in major league history that a team went from last place one season to World Champions the next.

Kelly had a managerial record of 1140-1244, which places him first on the Twins' All-Time list in wins and games managed. At the time of his retirement after the 2001 season, Kelly was the longest tenured manager/coach in all of major sports. His number 10 will be formally retired September 8, 2012, becoming the first Twins manager to have his number retired. Kelly was selected manager on the Twins' 40th Season Anniversary All-Time Team in 2000 and one of the "50 Greatest Twins" in 2010.

JACKIE ROBINSON 42

Jackie Robinson broke baseball's color barrier when Branch Rickey brought him up to the Brooklyn Dodgers in 1947. He brought a dynamic style of play to the game and terrorized the base paths. Robinson also proved to be an excellent hitter and a superb defensive infielder. He was voted the National League MVP in 1949 when he hit a league-leading .342 and drove in 124 runs. He batted .311 in his 10-year career and set several fielding records for second basemen.

In conjunction with the 50th anniversary celebration of Robinson breaking baseball's color barrier, Commissioner Bud Selig announced on April 15, 1997 at Shea Stadium that Major League Baseball will retire his uniform number 42 in perpetuity. The Minnesota Twins officially retired his number on May 23, 1997.

MINNESOTA TWINS HALL OF FAME

The Minnesota Twins Hall of Fame, which honors players, coaches and off-field personnel who have contributed to the organization's growth and success since the Twin Cities broke into the major leagues in 1961, was created as part of the club's 40th Season Celebration in 2000.

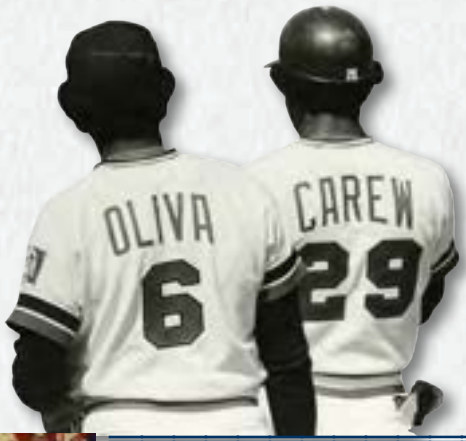

The inaugural class of Twins Hall of Famers, inducted on August 12, 2000, included Harmon Killebrew, Rod Carew, Tony Oliva, Kent Hrbek, Kirby Puckett and Calvin Griffith. The 2001 class included Herb Carneal and Jim Kaat while Bert Blyleven and Tom Kelly were inducted in 2002. Bob Allison and Bob Casey were inductees for 2003, Earl Battey was honored in 2004, Carl Pohlad and Frank Viola in 2005, Zoilo Versalles in 2006, Gary Gaetti and Jim Rantz in 2007, Rick Aguilera in 2008, Brad Radke and George Brophy in 2009, Greg Gagne in 2010 and Jim Perry in 2011.

At right is the criteria for the Minnesota Twins Hall of Fame.

Player – Service time of three seasons and a two-year waiting period following retirement from Major League Baseball. Voting is conducted by a 55-member committee, which includes the fan vote as one "member". The highest vote getter (with at least 50%) is elected, with a second candidate gaining election if they also receive 75% of the vote. No more than two players will be elected per year.

Non-Player – Will be elected in odd-numbered years by a 17-member veterans committee consisting of all living Twins Hall of Fame members, Twins front office personnel, and local Twins historians. Those eligible to be voted into the Twins Hall of Fame via the Veterans Committee balloting include owners, managers, coaches, scouts, broadcasters, media and front office personnel. The highest vote getter is elected (with at least 50%), with a second candidate gaining election if they also receive 75% of the vote.

CALVIN GRIFFITH

PRESIDENT & PRINCIPAL OWNER, 1961-83

Griffith was instrumental in bringing Major League Baseball to the state of Minnesota. He moved the Washington Senators to the Twin Cities for the 1961 season, providing Minnesota with their first Major League Baseball team.

In his 24 seasons as president and principal owner, the Twins were 1,930-1,887 with three American League West Division championships (1965, '69 and '70), one American League pennant (1965), and one All-Star Game (1965) while attracting 25,664,104 fans.

Griffith was involved in baseball for over 60 years and was known not only for his keen eye of baseball talent, but his deep passion for the game. He was a member of the inaugural class of the Twins Hall of Fame, inducted on August 12, 2000. Griffith passed away from complications from a kidney infection on October 20, 1999. He was memorialized in the Metrodome with a row of seats from Metropolitan Stadium. "Calvin's" seats host underprivileged families at every Twins home game.

HERB CARNEAL

RADIO BROADCASTER, 1962-2006

The dean of American League radio broadcasters, Carneal was a broadcaster of Twins' games for 44 years. He was the 1996 recipient of the Ford C. Frick Award, the highest honor given to a baseball broadcaster, which is presented annually to broadcasters who make major contributions to baseball and its fans.

Hired away from the Baltimore Orioles in 1961, where he was part of the play-by-play team for five years, Carneal was behind the microphone for all but the first of the Twins' first 45 seasons in Minnesota. Carneal passed away on April 1, 2007.

JIM KAAT

LEFT-HANDED PITCHER, 1961-1973

Kaat spent 13 of his 25 major league seasons with the Twins, and won 10 or more games for the Twins in every season except his first (1961), when he won nine games. Kaat's best season in his career came in 1966 when he was selected to his second of three career All-Star appearances ('62 and '75). He finished the season 25-13 with a 2.75 ERA, leading the league in games started, wins, innings pitched and complete games. Kaat won 16 consecutive Rawlings Gold Gloves from 1962-77.

Kaat pitched in the postseason in two separate years for the Twins, the 1965 World Series and the 1970 American League Championship Series. He is the Twins All-Time leader in wins (189), games started (422) and innings pitched (2959.1) and is second in complete games (133), shutouts (23) and strikeouts (1824). Kaat was also selected left-handed pitcher on the Twins' 25th Anniversary Team in 1986 and on the Twins' 40th Season Anniversary All-Time Team in 2000. In 2010, he was named one of the "50 Greatest Twins".

BOB ALLISON

OUTFIELDER, 1961-70

Allison was the American League Rookie of the Year and an All-Star while beginning his career with the Washington Senators in 1959. He continued his success in the major leagues when the Senators moved to Minnesota in 1961. Allison will be remembered most by Twins' fans for his diving catch in Game 2 of the 1965 World Series. He was also selected to the All-Star team in the 1963 and '64 seasons. Allison was also selected as the left-fielder on the Twins' 25th Anniversary Team in 1986, as an outfielder on the Twins' 40th Season Anniversary All-Time Team in 2000 and as one of the "50 Greatest Twins" in 2010.

Allison passed away after a long battle with Ataxia in 1995.

BOB CASEY

PUBLIC ADDRESS ANNOUNCER, 1961-2004

The only public address announcer the team had ever known, Casey was a part of the Twins since the move from Washington in 1961. With his voice being a fixture for Twins' fans, he exuded enthusiasm and excitement game after game, year after year. From the first pitch at Metropolitan Stadium in 1961 to his final game in 2004, Casey was the man behind the microphone.

Casey passed away in 2005 from complications with liver cancer.

CLASS OF 2004

EARL BATTEY

CATCHER, 1961-67

Battey spent parts of 13 seasons in the big leagues including seven with the Minnesota Twins from 1961-67. In his seven seasons as a Twin, he batted .278 (768-2762) with 76 home runs and 350 rbi in 853 games. He was instrumental in the Twins 1965 World Series appearance vs. the Los Angeles Dodgers, batting .297 in 131 games during the season.

Battey's numerous accolades include four All-Star appearances (1962, '63, '65 and '66), three Gold Glove Awards as a catcher (1960, '61 and '62), three top ten American League MVP Award finishes (1960, '63 and '65) and the 1963 Calvin R. Griffith Award as Most Valuable Twin. Battey was also selected catcher on the Twins' 25th Anniversary Team in 1986 and on the Twins' 40th Season Anniversary All-Time Team in 2000, and as one of the "50 Greatest Twins" in 2010.

Battey passed away in 2003 from complications with cancer.

CLASS OF 2005

CARL R. POHLAD

OWNER, 1984-2009

With the franchise facing a possible move out of state, Pohlad purchased the Twins in 1984. He was motivated by a sense of community responsibility and a feeling that major league sports, particularly baseball, are important assets that contribute to the quality of life in the community.

Pohlad enjoyed great success upon taking ownership of the Twins by providing leadership that resulted in two World Series Championships in 1987 and '91 and back-to-back-to-back American League Central Division Championships from 2002-04.

The on-field success of the franchise was largely due to Pohlad's ability to build and manage an exceptional baseball organization with a strong emphasis on player development. In addition, the Pohlad family has given millions of dollars and countless hours of their time back to the community and region through programs in the Twins Community Fund and the Carl and Eloise Pohlad Family Foundation.

FRANK VIOLA

LEFT-HANDED PITCHER, 1982-89

"Sweet Music" was a mainstay in the Twins starting rotation from 1982-89, winning at least 16 games per season from 1984-88 and helping the Twins to their first World Series Championship in 1987.

After Robertson's death in 1969, Brophy was named the Twins Vice President in October of 1970 and oversaw the Minor League Farm System and Scouting departments. Brophy held the position until 1985 when health problems triggered an early retirement from the Twins organization.

Brophy's duties included full administration of the minor league departments, including the working relationships with the Twins minor league affiliates. He was responsible for player moves at the minor league level and for the development of young talent for the Major League club. Brophy also handled contract negotiations with minor league players. In 1984, he was named the Topps' Long Meritorious Service Award winner.

Brophy, who also served as a special assignment scout for the Houston Astros before he retired in 1996, passed away in 1998 at the age of 72 from complications stemming from aplastic anemia.

FRANCHISE RECORDS

1901-2011

The history of the Minnesota Twins franchise dates back to the year 1901 when, as the Washington Senators, they were born as one of the eight original franchises in the American League. For sixty years, the Senators played baseball in our nation's capital, winning one World Championship and three American League pennants, while adding Hall of Fame players like Walter Johnson, Sam Rice and Goose Goslin to the rich history of America's game.

In 1961, owner Calvin Griffith moved the Senators from Washington, DC, to Minnesota where a new chapter has been written, one more impressive than the first. In the 51 years since, the Minnesota Twins have won two World Championships, three American League pennants, and made 11 playoff appearances. It is here that players like Killebrew, Kaat, Carew, Blyleven, Hrbek, and Puckett have been able to weave their own names into history, not only for the franchise, but for the game.

The records and All-Time Top Ten Lists below recognize this history by including the statistics of the Washington Senators of 1901-1960, as their history is our history, and any franchise history without them would be incomplete.

CREDENTIALS

Credentials for accredited news media are available through https://credentials.mlb.com with the appropriate affiliate ID. All requests must be made 24 hours prior to game time. Daily credentials must be picked up at the Gate 29 press gate, which will be staffed five hours prior to night games and three hours prior to day games. Daily and season credentials will be issued only to working members of the media and must be displayed at all times while in Target Field. A photo ID and signature are required to pick up credentials. The press box is located on on the Club Level (2), while both clubhouses, interview room, press dining, and field access are located on the Service Level (-2).

TWINSPRESSBOX.COM

All baseball information, including media guide, game notes, daily clips, stat packs, minor league report, press releases, headshots and logos will be available at twinspressbox.com. This site also provides media with audio and video clips, along with information for the 29 other MLB clubs.

INTERVIEWS

Most interviews may be conducted on the field during batting practice where the manager, players and coaches are usually available, as long as the interview does not interrupt their pre-game routine. Members of the media must stay in foul territory between first and third base. In-depth interviews that require more time with a player should be pre-arranged through the Baseball Communications department. Reporters and broadcasters must leave the field, with photographers reporting to their assigned photo positions, no later than one-half hour before game time.

CLUBHOUSE ACCESS

The Twins' clubhouse will be open to media with clubhouse credentials until one hour prior to each game and no longer than 10 minutes following each game. All live television broadcast shots must be conducted outside the clubhouse. Television photographers are allowed in the clubhouse prior to batting practice and after games, but not between batting practice and game time. Still photographers are not allowed in the clubhouse at any time. On occasion of a team meeting, the clubhouse will be closed until the conclusion of the meeting. The training room, dining room and weight room are off-limits to everyone except the manager, coaches, players and Twins' officials. The dugout is off limits during the game for everyone except the manager, coaches, players, trainers and certain club officials, in accordance with American League rules.

FIELD ACCESS

Members of the media must access the field through the Umpire/Star Dressing Room Tunnel. The tunnel is located between the Baseball Communications office and the visiting clubhouse on the Service Level (-2).

PRESS BOX

Space is available for accredited members of the media on assignment only. Guests are not allowed unless prior approval has been granted by the Baseball Communications department. Wireless internet is available. To reach the Baseball Communications office and visiting clubhouse, take the stairs or elevator down to the Service Level (-2) and turn left. To reach the media dining/interview room (Twins Room) and home clubhouse, turn right.

PRESS ROOM

The Twins Room, located on the Service Level (-2), is available for pre-game meals to media with appropriate credentials, for a $10 charge, approximately two hours prior to, and up until, game time.

PHOTOGRAPHERS

Due to a lack of on-field photo spots, the first and third base photo pits are limited to the local papers, the wire services, Twins photographers and whomever is assigned for that particular game. Certain exceptions may be made depending on space availability. An alternative for photographers are the designated photo positions around the concourse. Photographers assigned to the on-field locations should remain in the photo pits at all times during the game. If necessary, photographers should leave between innings only. Photos are allowed during batting practice, but photographers must remain on the dirt in foul territory, between first and third base. No photographs are to be taken from the baseball press box.

PHOTO EDITING ROOM

Photographers can edit images before, during or after the game in the photo editing room located by the field entrance on the Service Level (-2).

AUTOGRAPHS

Professional journalists do NOT ask for autographs. Any media members asking for autographs will have their credentials revoked.

PARKING

There is no on-site parking available at Target Field, but municipal ramps and parking lots are available near the stadium. Because of proximity to the press box, ramp "A" is recommended for media to park in on a game-by-game basis.

MINNESOTA TWINS BALLPARKS

HUBERT H. HUMPHREY METRODOME

- Opened on April 3, 1982, the Hubert H. Humphrey Metrodome has been home to the Twins for the past 23 years. It was the third domed facility in baseball and remains the only air-supported structure among the 28 in use.
- The Metrodome is the only stadium in the world to play host to the World Series (1987 and 1991), baseball's All-Star Game (1985), the Super Bowl (XXVI, 1992) and the NCAA Final Four Basketball Tournament (1992 and 2001).
- Construction began on December 20, 1979 and was built by the state of Minnesota at a cost of approximately $68 million.
- Field dimensions were 343' down the leftfield line, 385' to the leftfield power alley, 408' to dead centerfield, 367' to the rightfield power alley and 327' down the line in right. The fence in leftfield and centerfield was 7' high and the one in rightfield was 23' high, including 16' of plastic tarp installed in 1983.
- **April 14, 1983:** Roof deflated due to tear caused by heavy snow.
- **May 4, 1984:** Oakland's Dave Kingman hit a ball into one of roof's drainage holes in a 4th inning at-bat. The ball never came down and Kingman was awarded a ground rule double.
- **April 26, 1986:** Roof suffered slight tear due to high winds, causing a nine minute delay in the bottom of the seventh inning vs. California.
- **August 29, 1992:** A power outage in the third inning caused a 23 minute delay vs. New York.
- **August 5, 2001:** A power outage in the area of Minneapolis surrounding the Metrodome caused the air conditioning to shut down, heating the inside of the dome during the game to a high temperature of 91 degrees, as the Twins fell to the Royals, 10-5.
- **October 2, 2004:** The Twins and Indians were forced to suspend their game after the 11th inning due to a curfew rule in effect for the University of Minnesota football game.
- **October 2, 2005:** Upon the conclusion of his 50th year of broadcasting baseball, the Twins re-named the Baseball Press Box "The Herb Carneal Press Box", in memory of their long-time radio broadcaster. Carneal died on April 1, 2007.

TREASURE ISLAND BASEBALL NETWORK

2012 will mark the sixth season that the Minnesota Twins will control their radio broadcast rights. During the summer of 2010, the Twins announced an extension of the broadcast agreement with Hubbard Broadcasting.

The deal between the Twins and Hubbard Broadcasting began with the 2007 season, and calls for 1500ESPN to broadcast all regular and postseason games, along with at least 25 spring training games. As part of the agreement, the Twins produce the game broadcasts, including pre-game and post-game shows. 1500ESPN, and the stations of the network, also air a variety of Twins-related year-round ancillary programming including "The Ron Gardenhire Show", "Inside Twins" with General Manager Terry Ryan, and the off-season "Talkin' Twins" program.

The Twins-Hubbard agreement calls for the baseball team to assume control and development of the Treasure Island Baseball Network. Currently featuring 85 stations, the Twins and network distribution partner, the Minnesota News Network (MNN), continue efforts to expand the network. Historically, the network has been one of the largest in all of Major League Baseball with hometown radio partners bringing Twins baseball to fans across five states. The Twins and MNN maintain their commitment to promoting the ballclub to fans throughout Twins Territory via the network, with special events such as Winter Caravan and active local affiliate promotion.

The Twins commitment to providing a high quality and entertaining broadcast will go hand-in-hand with preserving the club's rich radio broadcasting history and, in 2012, a new era begins when a new voice hits the airwaves. Cory Provus joins the team after a three-year stint with the Brewers and will handle the call for all 162 games, while Dan Gladden will share play-by-play duties for 140 games. Kris Atteberry is in his sixth season hosting the Pre Game Lineup Card and Post Game Download. He will also handle fill-in duties in the broadcast booth.

The Twins return to 107.5 La Mera Buena and 95.9 HOPE FM to broadcast at least 50 games in Spanish. Alfonso Fernandez begins his sixth season as play-by-play voice with Tony Oliva as the analyst.

DAN GLADDEN

PLAY-BY-PLAY/ANALYST

Former Twins' fan favorite Dan Gladden enters his 13th year in the Twins radio broadcast booth, his ninth serving as a full-time analyst.

Gladden played in the Major Leagues for 11 years and retired from professional baseball following the 1994 season. He finished his career batting .270 with 203 doubles, 40 triples, 74 home runs, 446 rbi and 221 stolen bases in 1,197 games.

TWINS' 2012 TELEVISION BROADCASTERS

BERT BLYLEVEN

TWINS TELEVISION, COLOR ANALYST

This will be the Dutchman's 17th full season as color commentator for the Twins. Blyleven, who pitched in the Major Leagues for 23 years, including 11 seasons with the Twins, retired following the 1992 season. He was elected to the National Baseball Hall of Fame on January 5, 2011 and was inducted on July 24, 2011 in Cooperstown, NY. Blyleven served as pitching coach of Team Netherlands in the 2009 World Baseball Classic.

The native of Zeist, Holland, broke in with the Twins in 1970 at the age of 19. He retired at the age of 42 and is one of only three Major League pitchers of all-time to win a Major League game before his 20th birthday and after his 40th birthday (Herb Pennock and Mike Morgan). Blyleven also pitched at the Major League level with Texas, Pittsburgh, Cleveland and California. As a Twins starter, Bert had 345 career starts and a combined record of 149-138, 3.28 ERA and still holds the club record for strikeouts (2,035), shutouts (29) and complete games (141). He posted double figure wins in 17 different seasons. As a member of the Twins, he became a 20-game winner in 1973 (20-17, 2.52) tossing 25 complete games in his 40 starts, including nine shutouts and 325.0 innings. One of his most memorable moments occurred in 1977 when as a member of the Texas Rangers, Bert tossed a no-hitter defeating California 6-0 at Anaheim Stadium.

On baseball's all-time list, Blyleven ranks fifth in strikeouts (3,701), 10th in games started (685), ninth in shutouts (60), 14th in innings pitched (4,970.1), and tied for 26th in wins (287). He was voted A.L. Rookie Pitcher of the Year in 1970 and A.L. Comeback Player of the Year in 1989. Bert pitched in two All-Star Games, three Championship series and two World Series with the Twins and Pirates. Blyleven was selected as a right-handed pitcher on the Twins' 40th Season Anniversary All-Time Team in 2000 and was named one of the "50 Greatest Twins" in 2010.

While nurturing a reputation as a practical joker on the field and in the booth, Bert has demonstrated a serious side off the field when it involves community service. He continues to work with a host of charities for a variety of worthwhile causes including the Ronald McDonald House.

DICK BREMER

TWINS TELEVISION, PLAY-BY-PLAY

The 2012 season will be Dick Bremer's 31st season as a broadcaster for the Twins. Bremer, who graduated from St. Cloud State in 1978, began with the Twins in 1983 broadcasting games for Spectrum Sports. He remained there until 1985 and re-joined the team in 1987, working a two-year stint for TwinsVision. He worked with WCCO-TV and Midwest Sports Channel from 1989-2001.

The Staples (MN) High School grad has also been the voice of University of Minnesota basketball, football and hockey and has called games for University of Iowa basketball and the Minnesota North Stars in his 31-year career.

Dick and his wife Heidi, along with their son Erik and daughter Hannah, make their home in Saint Michael, MN.

TWINS' 2012 SPANISH RADIO BROADCASTERS

ALFONSO FERNANDEZ

SPANISH RADIO, PLAY-BY-PLAY

Fernandez begins his seventh season in 2012 with the Minnesota Twins serving as the Spanish play-by-play announcer.

Fernandez has served as the Spanish broadcast voice for the Minnesota Timberwolves and Minnesota Vikings for five seasons.

Prior to his move to Minnesota, Fernandez called the action in Spanish for the Los Angeles Lakers from 1988-1990, Los Angeles Clippers (1993-1995) and the National Football League's Los Angeles Rams (1987-1991).

He was the first to broadcast basketball in Spanish in the Los Angeles area and has spent 31 years behind the microphone.

Fernandez and his wife, Rosalia, make their home in White Bear Lake, Minnesota.

TONY OLIVA

SPANISH RADIO, ANALYST

Pedro 'Tony' Oliva Jr., or 'Tony-O' to those who followed his 24-year career as a Twins' player and coach, was a man who seemed to excel in all aspects of the game. He could hit for power and average, run, field and throw, and his versatility made him one of the most feared hitters of his day.

Tony-O collected 1,917 hits and retired with a .304 career average. He is the only player to win batting titles in his first two seasons and was the winner of three in his 15-year career, which still stands as the club's longevity mark. His prowess as a hitter was demonstrated in the fact that he led the league in hits five times, and his 220 career home runs rank third all-time among Twins. If not for knee problems which cut his career short, Oliva would have been a certain choice for the National Baseball Hall of Fame.

Oliva, the 1964 American League Rookie of the Year, began his coaching career in 1976. He now works as a hitting instructor in the Twins' minor league system and scouts for the club. He had his number 6 retired July 14, 1991, and was selected to the Twins' 25th Anniversary Team in 1986 and the 40th Season Anniversary All-Time Team in 2000. He was inducted into the Twins Hall of Fame on August 12, 2000, and was named one of the "50 Greatest Twins" in 2010.

DID YOU *Know?*

...that Harmon Killebrew is the only Twin to lead the American League in home runs. "Killer" led the league in 1962, 1963, 1964, 1967 and 1969.

TWINS' SPRING TRAINING MEDIA POLICIES

SPRING CREDENTIALS

Credentials for accredited news media for Spring Training games are available through an application at https://credentials.mlb.com. These will be issued only to daily newspaper reporters who will be covering the club, home and road, and to area radio and TV sports reporters and camera crews who will be covering on a regular basis. All other media entities will be credentialed on a per-game basis (including parking) through an application at https://credentials.mlb.com.

No fax or email requests will be accepted unless approved by the Baseball Communications department. Transfer of working press credential will result in the termination of coverage privileges for the individuals involved. A photo ID and signature are required for credential pick-up at the VIP Window.

FIELD ACCESS

Allowed during batting practice and other workouts during the early training period, but once the game schedule begins the field must be cleared at the end of visitors' batting practice. All reporters must confine themselves to foul territory between 1st and 3rd base. Workouts begin daily at approximately 9:00 a.m.

DINING ROOM ACCESS

Available only to those media credentialed to cover that day's game, for a $5 charge. This room will open at 11:30 a.m. for day games (5:30 p.m. for night games) and will close at gametime. Working photographers will be permitted in the press dining room on the same basis as other reporters.

PRESSBOX ACCESS

Permitted only to members of the Baseball Writers' Association of America (BBWAA) and to coverage reporters of area daily newspapers and radio and TV stations. Weekly newspapers can be accommodated only on a space-available basis. Wireless internet is available.

CLUBHOUSE ACCESS

Limited to members of the Baseball Writers' Association of America (BBWAA) and to coverage reporters of area daily newspapers and radio and TV stations. The clubhouse will be open prior to and following workouts during the pre-schedule workout period with certain exceptions. During the game schedule, the clubhouses will be closed at the end of batting practice until five minutes after games. Clubhouse access is limited to the player-locker area and the manager's office. The training room, exercise room and equipment rooms are off-limits to all media. No still cameras are allowed in the clubhouse.

INTERVIEWS

Players will accommodate when possible where on-field interviews are concerned. Any in-studio appearances or appearances on the player's own time must be set up through the Baseball Communications department.

RADIO & TV

No cameras will be allowed in the clubhouse prior to games and workouts. Television cameras will be allowed in the clubhouse after games and workouts. Feature material should be filmed on the field during batting practice. Post-game interviews may be conducted on the field or in the clubhouse for both TV and radio.

CAMERA POSITIONS

Several camera positions are available for shooting during the game, but no cameras will be allowed on the field itself. The center field position will be for game television cameras only, as will the low home position, unless cleared through the Baseball Communications department. High and low, 1st and 3rd base will be credentialed on a space-available basis. Any photographers shooting from the field photo pits will only be allowed to leave or change positions between innings.

PHOTOGRAPHERS

No still photographers will be allowed on the field during the game or in the clubhouse at any time. There are at least four positions from which photographers may shoot during games. On the first day of full squad workouts, photographers will be allowed the freedom of the field during the exercise period, but must stay in foul territory during the actual workout times. On all other days, all media personnel must stay in foul territory and no farther down the lines than 1st and 3rd base. No photographs are to be taken from the baseball press box.

PHOTO DAY

Will be on Monday, February 27, beginning at 8:00 a.m., sharp. All photographers seeking file head shots are asked to cooperate by doing this on Photo Day, when the players will be made available in an assembly line fashion to accommodate all accredited news services.

AUTOGRAPHS

Professional journalists do NOT ask for autographs. Any media members asking for autographs will have their credentials revoked.

TICKETS

May be purchased by coverage personnel out of a block held for this purpose. These tickets are for personal use only and advance notice is recommended to increase chance of availability.

SPRING TRAINING RECORDS

This is the 22nd year the Twins are training at Lee County Sports Complex after having trained at Orlando's Tinker Field from 1936-1990. The Twins' minor league training drills were switched from Melbourne to Terry Park in Fort Myers in 1990 and the entire organization was united at the Lee County Complex in 1991.

Complete spring training team statistics have been kept only since 1965. The various categorical highs since then have been as follows:

LEE COUNTY SPORTS COMPLEX

The Twins will spend their 22nd spring training season at the Lee County Sports Complex in 2012. Spurred by the state-of-the-art facility, the Twins won the 1991 World Series after enjoying their most successful spring training camp in history as they posted a record-high 21 wins. In the 21 years the Twins have drawn at total of 2,153,848 fans for 336 dates, an average of 6,410 per game (total does not include 17 replacement games in 1995 which drew 49,240 fans).

Located south of the city of Fort Myers near Interstate 75, the Lee County Complex is home to the Twins and their six minor league affiliates. It features five full and two half-fields, the centerpiece of which is an 8,010-seat stadium in which the Major League Twins play their exhibition games and conduct some of their daily workouts. The main stadium was renamed Bill Hammond Stadium late in the 1994 spring season in honor of Deputy County Manager who was instrumental in getting the complex approved and bringing the Twins to Lee County.

The Sports Complex is the home to two of Minnesota's minor league affiliates, housing both the Miracle of the Class A Florida State League and the Rookie level Gulf Coast League Twins.

Complete home and visiting clubhouses are included in the stadium proper, and complete facilities for the minor league teams are contained in a building adjacent to their playing fields. A 6,000 square foot state-of-the-art fitness training room and conference center was built next to the minor league facility, which opened at the start of the 2005 spring training. During the winter of 2007, Lee County and the Twins implemented a variety of improvements to Hammond Stadium, including installation of a grassy berm (featuring lawn seating for 230 fans) adjacent to right field and relocation of the visiting team bullpen to the right-field corner; installation of a drink rail (featuring 50 ticketed locations) and party deck behind the grass berm; installation of two new rows of seats (125 seats in total) at field level between the dugouts. Prior to the start of the 2008 spring schedule, new lights and seats were put in at Hammond Stadium.

The major league club's administrative offices are located in the stadium, with the minor league department's offices in the building adjacent to its fields.

The complex also features a softball complex and other athletic facilities for use by Lee County organizations, plus an eight-acre water-management lake for public fishing.

The Twins trained in Orlando, Florida, from 1936 (with the exception of the war years of 1943, '44 and '45, when they conditioned in College Park, Maryland) to 1990, and their minor league clubs moved to Terry Park in Fort Myers in 1990, after headquartering in Melbourne, Florida, from 1964-89.

The Lee County Sports Complex, a $14,000,000 undertaking, was completed in February, 1991. Lescher and Mahoney, an architectural and engineering firm based in Tampa, Florida, were the lead architects for the project, with design assistance from Ellerbe-Becket of Kansas City, Missouri. Case Contracting Company of Plant City, Florida, was the contractor.

On August 3, 2004, the Twins signed an extension with Lee County for use of the complex through 2020.
